TECHNICAL SKILLS

- Proficient in using design software such as Adobe Creative Suite, Sketch, and Figma for creating and editing graphic designs, logos, and website layouts.
- Proficient in using ArchiCAD and Revit, two widely used BIM (Building Information Modeling) software programs in the architecture industry, for designing and modeling architectural structures and buildings.
- Skilled in using 3D modeling software such as 3ds Max and SketchUp, with experience in creating high-quality 3D models and visualizations for architectural and interior design projects.
- Proficient in using Figma, a collaborative interface design tool, to create and edit graphic designs, logos, and website layouts.
- I use Java and specialize in Android app development and Java programming. My expertise includes utilizing Java libraries for various tasks, and I have a strong background in developing applications for the Android platform.
- Skilled in using project management tools such as Trello and Asana to collaborate effectively with team members and complete projects efficiently.
- I am fluent in Turkish, possessing excellent verbal and written communication skills. Additionally, I have a B1 level proficiency in Spanish and an A2 level proficiency in German.
- Experienced in providing technical support and troubleshooting to clients or colleagues, with strong problem-solving and critical thinking skills.

PROFESSIONAL EXPERIENCE

Mama Fontana, Houston

May 2023 - Present

Web Design & Social Media Marketing, Freelance

- Web Design: Created visually appealing and user-friendly websites for clients using HTML, CSS, JavaScript, WordPress, and Wix. Customized website layouts, integrated multimedia content, and ensured responsive design for optimal viewing on various devices.
- Social Media Marketing: Developed and executed social media marketing strategies across platforms like Instagram, Facebook, and LinkedIn. Created engaging content, managed posting schedules, and analyzed performance metrics to enhance brand visibility and audience engagement.
- Client Collaboration: Worked closely with clients to understand their branding and marketing goals, providing tailored solutions to meet their needs. Maintained regular communication to ensure client satisfaction and project alignment.
- SEO Optimization: Implemented on-page and off-page SEO techniques to improve website rankings on search engines. Conducted keyword research, optimized content, and monitored SEO performance.

- Graphic Design: Designed compelling visuals for social media campaigns, websites, and promotional materials using Adobe Creative Suite. Ensured all designs were consistent with the client's brand identity.
- Project Management: Managed multiple projects simultaneously, meeting tight deadlines and maintaining high-quality standards. Utilized tools like Trello and Asana to track progress and collaborate effectively with clients and team members.
- Analytics and Reporting: Provided clients with regular reports on web traffic, social media engagement, and campaign performance. Used insights to refine strategies and achieve better results.

Sofart Studio, Turkey

March 2022 - July 2022

Online Tutor

- Provided expert-level private lessons in Archicad, a cutting-edge software that is transforming the architecture industry
- Organized and led online workshops focused on Archicad for design teams from other educational institutions, fostering cross-collaboration and knowledge-sharing among peers in the industry.
- Provided comprehensive instruction and expert guidance to enable participants to effectively leverage Archicad's cutting-edge capabilities and achieve their design objectives.

Sofart Magazine, Turkey

November 2020 - June 2022

Graphic Designer

- Utilized my extensive experience in graphic design to create visually stunning designs for a graphic magazine, showcasing my proficiency with design software and attention to detail while effectively translating the author's written content into captivating visuals.
- Facilitated engaging and informative graphic workshops, leveraging my expertise in design principles and software tools to empower participants with practical skills and knowledge to enhance their graphic design abilities
- Designed and produced high-quality graphics for special events and occasions, leveraging my creative skills and technical expertise to produce visually compelling designs that effectively captured the essence of the event and conveyed the desired message to the audience.

TAG Architecture, Turkey

July 2021 - September 2021

Intern Architect

- Construction Site Manager Intern - Downtown Bursa: Demonstrated strong leadership and organizational skills as a Construction Site Manager Intern in Downtown Bursa. Coordinated and supervised daily operations on the construction site, liaised with contractors and subcontractors, and ensured compliance with safety standards. Contributed to the timely completion of the project while gaining hands-on experience in construction site management."
- Construction Site Manager Intern - ARTI2000: Supported construction site operations as a Construction Site Manager Intern at ARTI2000, gaining experience in budget management, project coordination, and quality control. Demonstrated strong problem-solving and communication skills while collaborating with contractors and subcontractors to maintain project schedules and standards

VOLUNTEER EXPERIENCE

ESN Turkey

09/2021 – Present

Volunteer

- Volunteered with the Erasmus Student Network Turkey, contributing to the organization's mission of promoting student mobility and intercultural exchange.
- Demonstrated strong communication and interpersonal skills while engaging with international students, helping to facilitate their transition to a new culture and providing support with practical matters such as housing and transportation.
- Developed cross-cultural understanding and gained valuable experience in volunteer management, contributing to the success of numerous events and initiatives organized by the network.

Design Club ESTU

09/2020 – 09/2021

Volunteer

- Contributed to the success of two major events per year as an active member of the Design Club at my university, demonstrating strong teamwork and project management skills.
- Collaborated with other members of the organization team to plan, execute, and promote the events, utilizing effective communication and problem-solving skills to ensure seamless execution.
- Gained valuable experience in event planning and execution, contributing to the development of high-quality and innovative events that helped to promote the club and enhance the university's community.
